POINTERS ABOUT VENEZUELA.

The republic claims an area of 632,807 square miles.

Liberty of worship is guaranteed by law.

The standing army consists of a little over 3000 men.

The national militia consists of all males between the ages of 18 and 45.

The constitution is modeled on that of the United States.

It was not until 1845 that the independence of the republic was recognized by Spain in the treaty of Madrid.

The emancipation of slaves took place on March 24, 1854.

Don Guzman Blanco was Dictator from 1870 until February 20, 1873, when he was elected constitutional President.

The coast of Venezuela was the first part of the American mainland sighted by Columbus.

From 1540 until early in this century the country was under Spanish domination.

In 1810 Venezuela rose against the Spanish yoke, and in the following year the independence of the territory was proclaimed.

The pure white population is less than 3 per cent. The vast majority of the people are negroes, Indians, mulattoes and zam-bos.

Elementary education is well provided for under the law. There are two universities, nineteen Federal colleges and various other public and private institutions for higher education.

The money system of Venezuela is that of the Latin convention, the franc being represented by the bolivar.—New York World.

“Do I understand the counsel for the defendant,” asked a very fat Judge, “to say that he is about to read his authorities as against the decision just pronounced from the bench?”

“By no means,” replied the counsel aforesaid, “I was merely going to show to your honor, by a brief passage I was about to read from the book, what an intolerable old fool Blackstone must have been.”

“Ay! ay!” said the Judge, not a little elated; and there the matter ended.

King Bros. are offering a very good article in Ebony Wall brackets at Frisco prices.

Mme. Yale's Hair Tonic.

LADIES AND GENTLEMEN: It affords me great pleasure to call the attention of the public to my Yale's Hair Tonic, which is the first and only remedy known to chemistry which positively turns gray hair back to its original color without dye. I personally indorse its action and give the public my solemn guarantee that it has been tested in every conceivable way, and has proved itself the only Hair Specific. It stops hair-falling immediately and creates a luxuriant growth. Contains no injurious ingredient. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, keeps it in curl and removes dandruff. For gentlemen and ladies with hair a little gray, streaked gray, entirely gray and with BALD HEADS, it is specially recommended.

All druggists. Price \$1; also Yale's Skin Food, \$1.50; Yale's Complexion Cream, \$1; Yale's Face Powder, 50c; Yale's Beauty Soap, 25c. Mme. Yale, Health and Complexion Specialist, Temple of Beauty, 146 State st., Chicago. Guide to Beauty mailed free.
